The full list of courses eligible for extended post-study work rights in Australia.

This is the definitive full list of courses qualifying for the extended post-study work rights initiative. If a Bachelor's or Master's program is listed here, it meets the criteria for eligibility. Conversely, if a Bachelor's or Master's course is absent from this list, it does not qualify. All doctoral degrees automatically meet the eligibility criteria.

How to Locate Your Course

This table was systematically organized by educational providers, further categorized by course levels. To ascertain whether your course qualifies, you can perform a search for your planned course shown on this document.

For students who may not be familiar with this process, you can locate it on your Confirmation of Enrolment (CoE) certificate, the course name.

Don't miss your chance to be part of Australia's exciting future. Begin your journey by submitting your enrolment and take the first step towards a fulfilling career and life in this vibrant country. However, if you have any doubts regarding your eligibility to lodge a student visa process, we strongly recommend taking advantage of our **FREE VISA ELIGIBILITY TEST**.

Securing a visa can be a time-intensive process, with varying processing times depending on the visa category. Delays and complexities may arise during the application process. Therefore, maintaining patience and preparedness for potential delays is essential. Should you have any questions or concerns, feel free to reach out to MQuality for expert guidance and support.

For detailed information on the application process and our **FREE VISA ELIGIBILITY TEST**, visit our site mquality.com.au. We look forward to welcoming you to Australia!
